

Certificate of Attendance

The Organising Committee herewith confirms that

Anil Can Önder

participated in the

XVIth International Congress of Toxicology (ICT 2022)

in Maastricht, the Netherlands from September 18 to 21, 2022.

The delegate presented an abstract (program number: P12-46, title: "*Optimized Dispersion of Nanopowders for Toxicological Studies: A Case Study with Ceramic Nanoparticles and Human Osteosarcoma Cell Line*") which was accepted for poster presentation.

On behalf of the whole Organizing Committee,
we thank you very much for your participation.

Theo de Kok
Chair of the Local Organizing Committee

The congress was hosted by the Dutch Society of Toxicology (NVT),
the International Union of Toxicology (IUTOX) and
the Federation of European Toxicologists & European Societies of Toxicology
(EUROTOX).
